A Message From Bishop Reding

The possession of knowledge in one or more fields of learning has always been respected and treasured by man, for in knowledge there is power to do things, to invest, to discover and develop, a power which can help man to live in and enjoy a better world or a power which can destroy him.

During the past several years, more than at any time in history, this fact has been brought forcibly to our minds by the advances made in science. We are actually living in a world that has the knowledge and the power to improve itself or to destroy itself.

The correct direction of this force is obvious to those who understand the true nature of man. You, the students of today, are the leaders of your generation. At present you are in a stage of development of mind and body. Knowledge and the proper direction of that knowledge are given you in your academic training and especially in the principles of your religion. By hard work and prayer, you can achieve spiritual and intellectual culture. With this Christian culture, you can have great influence in bringing justice and charity to mankind, in making the world a better and happier place in which to live, and in preventing the destruction of man's newly discovered sources of power.

May Almighty God, the source of all goodness, truth and beauty, direct and guide the efforts of parents, teachers and students in achieving the high standard of educational excellence embodied in the life and person of St. Thomas More.

Bishop of Hamilton.

+ Paul Reding

A Message From Our Principal

Mr. W.G. Reid

Dear Friends of St. Thomas More:

It is indeed a pleasure to have the opportunity to formally thank, on your behalf, the Yearbook Staff for their diligent work in producing this, the second annual edition of The Squire.

The excitement of our first year has passed, however the enthusiasm has not been lost as I am certain you will notice as you browse through the bank of memories contained within this book.

Our school has continued in its pursuit of excellence. Our high scholastic standing in the University of Waterloo Junior Mathematics competition is an indication of our increasing scholarship and growing maturity.

In September 1974 we will offer a full programme of subjects leading to the Secondary School Honour Graduation. We have seen our school grow to a population of 1,050 pupils, and a staff of 44 teachers. The two year record of our activities is indeed enviable, and the involvement and enthusiasm of our community is an indication of our growing success.

We are proud of the small part we played during the installation of His Excellency Bishop P.F. Reding, and the continued growth of our Catholic High Schools on the Mountain under his leadership. The opening of St. Jean de Brebéuf is an indication of the faith and high regard which our Catholic people hand to us in trust. I can assure you that we will to the best of our ability hold this trust as sacred, and help our young men and women to develop spiritually, morally, physically and academically as we grow in service to God and Country.

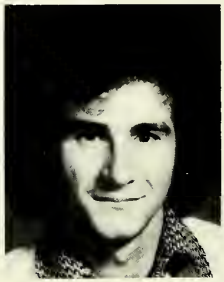
Graduates



DOMINIC OCCHIONORELLI

Dominic took his grade nine at Westdale Collegiate then transferred to St. Mary's High School before enrolling at Saint Thomas More to continue his programme.

During his two years at our school, Dominic played in our school band as well as in his own orchestra, "Carmen and the Cavaliers."

Dominic is presently starting an electrical apprenticeship and hopes to continue in this field.

VICKI ZIMMERMAN

Vicki began her high school career at Bishop Ryan's Satellite in Stoney Creek before the opening of Saint Thomas More.

While at our school, Vicki played on the Girls' Junior Volleyball team in the 72-73 season and was a House Form Representative for Silver Four.

Immediate plans for the future include continuing her education.

For 46 students March Break 74 will be remembered forever. After an exhausting five hour airport wait, a relaxing seven hour flight, and a three hour bus tour through the Italian mountains, the sunshine and orange-tree filled streets of Sorrento in Southern Italy was a welcome.

To walk leisurely or ride rented motorbikes through the narrow streets, followed by bartering and bargaining with the local shop-keepers, and a Tarantella in the evening kept everyone happy and on the go.

From the south we travelled north to Rome and Florence to continue our sightseeing and shopping. After a seemingly short week we dragged ourselves through the 70 degree Roman temperature to Leonardo Da Vinci airport, took off, and landed in frigid Toronto with a 17 degree cold spell. And we arrived home safe and sound and ready for school.

In your kindness, pray for
the soul of

Joseph Densmore

Enthusiasm plus talent equalled a very successful first year in the H.I.A.C. Junior Football League for the 1973 Knights.

Enthusiasm was displayed when a hundred fellows tried out for the team. The same enthusiasm was displayed by the coaches who had the difficult task of choosing the thirty players who would ultimately compose the team.

Talent must accompany enthusiasm, however, and our players displayed their various talents continually. Our defense worked as a unit and allowed only 29 points in seven games - a great achievement in "four down" football. Our offensive squad mixed a balanced attack very well to compile 109 points in those seven games.

Special thanks go to the coaches - Fr. Talbot, Mr. St. Michael, Mr. Piccoli and Mr. Galambos - for their dedication and inspiration. Thanks also to our fans, trainers, cheerleaders and most of all the players themselves who prayed hard and played hard. We look forward to a Junior Championship next year at Saint Thomas More.

Cheerleaders

The cheerleaders had a very exciting and successful 73-74 year. Their spirit began with the first kick-off during football season and continued till the last basketball had been sunk. Their achievement of awards this year, which included the Mohawk Invitational Outstanding Cheerleaders award and a first runner up position in an invitational cheerleading competition, well displayed their array of enthusiasm and spirit!

The Girls' Midget Volleyball team had a very successful year winning the City Championship. It took much hard work and determination to bring the trophy to St. Thomas More. The only team to defeat our Midgets was Bishop Ryan, who proved to be tough competition.

The volleyball team wishes to express their deep gratitude to their coaches, Mrs. Gauthier and Miss Hurley and special thanks to Mr. Leknickas for his time and patience in assisting the team. An expression of thanks is due to Janice Walsh, the Manager; and Sue Viani, Captain; and Pat Maccan, Co-Captain; for aiding in leading the team to victory. The Girls' Midget Volleyball team also would like to express their appreciation to the students and teachers who graciously gave up their time to cheer them on to the City Championship. The City Championship was won by defeating Bishop Ryan Satellite by the score of 75 - 57.

Girls' Junior Volleyball

The girls' junior volleyball team was, once again, undefeated this season. Unfortunately, they lost against Bishop Ryan High School in the semifinal game. Throughout the year they exhibited an ample amount of zeal, determination, sportsmanship, and skill.

The team would like to express their appreciation to their coach, Miss Hurley, for leading the team to their many victories. Special thanks is also given to Mr. Leknickas for his assistance and the time he sacrificed to teach the team some of his excellent volleyball skills.

BACK ROW: Teresa Arnold, Manager; Brenda Oliphant, Donna Sampson, Stephanie Fodor, Anne Marie Jewell, Miss Jarai, Coach. FRONT ROW: Connie Squizzato, Terry Cicchi, Cathy Trevisani, Chris McSweeny, Anne MacLean, Cathy Crawford, Chris Jakubow.

Girls' Senior Volleyball

This year proved to be quite profitable for the senior girls' volleyball team. The number of games won is not impressing but we are all proud of their outstanding sportsmanship and the abundance of spirit they displayed. The senior girls deserve much recognition. They continually played at a disadvantage, against teams older and more experienced than themselves. Yet they always put up a good fight and as the season ended, they looked very promising, winning the final game against Westmount.

A warm thank-you is extended to Miss Jarai for the endless hours of her assistance. Credit is also due to Mr. Leknickas, who devoted much time to teach the girls the numerous skills in volleyball. The senior girls' volleyball team is looking forward to an exciting and victorious season next year.

Midget Boys' Basketball

BACK ROW: Mr. M. Morton, Matt Kavanaugh, Giuliano Marson, Steve McCarthy, Tony Valentini, Jerry Crapsi, Scott Watson, Jeff McNeil. MIDDLE ROW: Mr. M. Smith, Reno Malisa, Tim Boychuck, John Dermody, Andre Daigle, Steve Jeremie, Mauro Carnicelli, Mr. G. Fuchs. FRONT ROW: Tony Rocco, Mike Maloney, Bob Coons, Mike Gallagher, John Sexton, Jim Simpson.

This year's midget basketball team proved very successful in upholding the strong tradition of good midget basketball. It was capitalized by the winning of the city championship at McMaster. If we could name one strength that stood out during the whole season it would have to be balance. The forwards did a great job of controlling the boards all year and the guards showed fine ball-handling and outside shooting.

The team also took home the championship trophy at St. Thomas More's second Annual Midget Tournament. Three players from St. Thomas More were chosen as all-stars. These players being: Gerry Crapsi, Tony Rocco and Mike Gallagher. Mike was also voted as the most valuable player in the tournament.

I would like at this time to thank the coaches, Mr. M. Smith, and Mr. G. Fuchs and Mr. M. Morton for their fine help all year long. Also to the many players who did not see much action but practiced hard all year. Special thanks to the "diaper squad" for showing us that little people can play basketball too.

The talent was there. The coaching was there. The fans' support was there. The championship is HERE!

Senior

St. Thomas More's Senior Basketball team enjoyed a fantastic season in the school's first year of senior competition. They displayed the potential that will one day bring a Senior Championship to St. Thomas More. Even though it was the school's first year in competition, the Knights ended the season with a 5 and 5 record. This was a monumental task when we consider that all of the seniors were at least two years younger than their competition.

Their pressing defense and their fast break offense was a delight to watch and very entertaining to the fans. All the players gave 110 percent in their efforts, both at practice and in the games.

Nothing could have been possible without the guidance and leadership of the two head coaches, Mr. P. Pacecca and Mr. G. Luciani. Many words of thanks, both from the players and from the fans, are given to these two fine men who gave so much of their time to the team. Special thanks should also go to the managers of this year's team.

The pride and dedication will surely form a foundation for future championships.

If you are to judge a successful season by a team's won-loss record, then our senior girls were not successful. However, we choose to consider it most positive for these reasons. The absence of the "win or die" demands of other sports allows the participants to develop socially viable attitudes in a competitive setting. To attest to this we might point to the mature attitude of many of the girls in attempting to assess the purpose of their endeavours. Through this kind of questioning we're sure the girls will achieve the benefits inherent in high school athletics. Our season closed with a well-knit effort and we're hoping it will be an indication of the season to come.

In keeping with the tradition of St. Thomas More School, that of being "never say die", this year's hockey team has proved to be both an asset to the school, and a credit to the High School system. With a poor start the team finally rallied near the end of their schedule, placed fourth in the division, and faced the first place team in the league. In preparation for the playoffs coach Castellani, boosted team spirit and morale which gave them a decisive lead in the first of two games (4-3). In the second game, which many will remember as one of the best in the league's history, St. Thomas More suffered a 10-9 defeat in overtime which cost them the series. Had the team had more experience in the league, they would surely have done better.

Special thanks to the teachers, parents, and fans who never gave up hope, and our wishes for a more successful season next year.

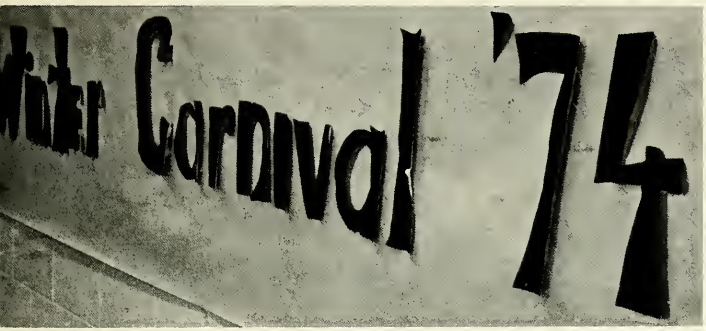
Winter Carnival 74



St. Thomas More once again passed through a fun-filled winter carnival where participation of the students brought in numerous activities. These activities included the slave auction, the grease rope, the banana eating contest, the staff-student volleyball game, and last but not least our talent show where several students displayed their talents in many ways. Everyone enjoyed themselves participating in both the skating as well as the dance. This year's carnival was a huge success and we are hoping that next year's winter carnival will be just as exciting.

Awards Banquet 74

St. Thomas More's Second Annual Awards Banquet was a huge success. Many of the different sports did not present an individual award, in view of the fact that the coaches and players felt the team was most deserving as a team. Among the teams recognized were: Junior Girls' Volleyball, Senior Girls' Volleyball, Junior Boys' Volleyball, Rugger, Football, and Senior Girls' Basketball.

The male athlete of the year was the most deserving Alan Hitzroth. Cathy Crawford and Ellen Marshall shared the title of female athlete of the year.

Mrs. Gauthier was presented with the Joe Densmore Memorial Trophy in honour of Red House's achievement in intramural sports.

The most valuable player awards were given to:

Joe Cannella - wrestling
Frank Caltagirone - track & field (boys')
Stephanie Kelly - track & field (girls')
Pat McSweeny - tennis
Fausto Carnicelli - soccer
Mike Chiarelli - chess
Rob Luciani - senior boys' volleyball
Sue Viani - midget girls' volleyball
Joanne Gregus - junior girls' basketball
Fausto Carnicelli - senior boys' basketball
Mike Gallagher - midget boys' basketball
Nancy Simpson - badminton
Alan Hitzroth - badminton
Toni Rizzuto - cheerleading
Andy Pigott - golf
John Foley - hockey
Linda Boudreau - gymnastics (girls')
John Martin - gymnastics (boys')
Ted Pangia - junior boys' basketball

Chuck Ealey, Abbie Hoffman, Bill Reid, Jim MacDonald.

Alan Hitzroth - male athlete of the year

Mary Ellen Marshall and Cathy Crawford - female athletes of the year.
